## What True Love Is

Love is a precious gift, which we receive from Jesus. Pure and holy affection is not a feeling, but a principle. Those who are actuated by true love are neither unreasonable nor blind. Taught by the Holy Spirit, they love God supremely, and their neighbor as themselves.

"Beloved, let us love one another, for love is of God; and every one that loveth is born of God, and knoweth God."

1 John 4:7
